# ABOUT THE COMPETITION

## BAR COUNCIL OF INDIA

The NLST Annual Mediation Competition is a premier national-level event where law students step into the roles of Client, Counsel, and Mediator to resolve disputes through negotiation and collaboration rather than litigation. Conducted entirely online, participants navigate realistic scenarios across multiple rounds—from preliminaries to the finale—under the guidance of experienced mediators and legal experts. The competition sharpens skills in communication, strategy, and emotional intelligence while providing a deep understanding of alternative dispute resolution. It offers students invaluable exposure, networking opportunities, and recognition as future-ready legal professionals committed to constructive conflict resolution.
